Your Protected Action voting letter is on its way!!!

On the front of your letter will be your name and also
Protected Action Ballot: **B2018/897 AMIEU – JBSSA**

Do not return this to sender, it must be filled in and sent back ASAP or alternately you can bring it into work and an official will be onsite to collect them and deliver to the Australian Electoral Commission.

There is a very small time frame and given the changes to Australia post-delivery it is important that you notify us if you have not received your letter.

We must get a positive return of over 50% let's send the united message and get

100% return.
