Re: Increased union fees effective from 1st April 2022

I write to advise that due to rising costs and after careful deliberation, the AMIEU South & Western Australian Branch Committee of Management has decided to minimally increase the weekly fees from \$9.50 to \$10.00

It has been **over four years** since the last increase in union fees and, whilst we endeavour to keep increases to a minimum, it has become necessary for this marginal increase.

The Union has embarked on cost cutting measures that were put in place prior to this fee increase.

If you are paying by payroll deduction, then your Pay Officer will be advised of the increases which should commence from the first pay period on or after 1st April 2022.

The following schedule indicates the various amounts which should be deducted:-

If paying on a weekly basis :	FULL	HALF
Weekly amount is	\$9.00	\$4.50
Plus GST of 10%	1.00	0.50
Total amount taken on a weekly basis	\$10.00	\$5.00
If paying on a monthly (4 weekly basis):		
4 Weekly amount is \$10.00pw x 4	\$36.00	\$18.00
Plus GST of 10%	4.00	2.00
Total amount taken on a 4 weekly basis	\$40.00	\$20.00

I appreciate your understanding and look forward to your continuing membership.

In Unity,

Sharra Anderson
Branch Secretary
