

AMIEU WELCOMES YOU TO COME JOIN US

The AMIEU welcomes you to both Bordertown SA and the Meat Industry!

The AMIEU has been representing Meat Workers over the last 100 years, we organise and support workers in their claims for better wages and conditions.

We represent Meat Workers in the Fair Work Commission, sit on the various Government Boards where we voice the rights of our members whilst ensuring they are not mistreated and are working within safe environments.

We are currently advocating for “**Same work Same Pay**” Why should ANYONE be paid differently from the worker beside them?

All our members have a common interest, we are all here to support ourselves and our families, we all have a right to be treated fair and to come home safe each night.

A well-known saying here is “A fair day’s work for a fair days pay” not a lot to ask for.

Together we govern the employers and hold them accountable for any mistreating or underpayment of wages/conditions.

AMIEU MEMBERSHIP COVERS YOU FOR MANY OTHER THINGS
