MR Licence Allowance- Ongoing

As you may be aware about 1 year ago a trial MR Driver Allowance was introduced as an incentive for our existing Food Service & Wholesale drivers and also any new drivers joining our team.

The trial has been reviewed and has been found to be popular and effective and therefore this will now be an ongoing feature.

The \$11.00 will be indexed and will increase in line with other Meat Industry Award increase such as the First Aid Allowances. The next increase is expected in the first full pay week in July 2023.

GUIDELINES:

- Applicable to personnel based at TFIA- Cavan only.
- Required to be suitably qualified and hold a current Medium Rigid (MR) licence.
- This will encompass personnel with a higher licence; however, the minimum is to be able to legally drive TFIA MR trucks.
- Applies to food service and wholesale drivers who actively drive a truck as part of their role.
- The allowance is \$11 per day i.e. \$55 per week.
- It will be an attendance allowance i.e. paid on the days that the person is at work.
- The \$11 per day allowance applies to both Casual and Permanent fulltime positions.
- The \$11 allowance will be indexed in line with other Meat Industry Award increase such as the First Aid Allowance.
- Note: Does not include salaried personnel
